#### **5. DISCUSSION OF CONSENT AGENDA ITEMS**

4.1 Councilmember Starkey asked for additional dialogue regarding future contracts to be included.

Councilmember Starkey made a motion, seconded by Mayor Truex, to table to February 1, 2006, with more elaboration to be provided on page 2. In a voice vote, with Councilmember Paul absent, all voted in favor. (Motion carried 4-0)

4.4 Councilmember Starkey read the proclamation declaring February 10, 2006 as United Way Appreciation Day.

Councilmember Starkey made a motion, seconded by Mayor Truex, to approve. In a voice vote, with Councilmember Paul absent, all voted in favor. (Motion carried 4-0)

Councilmember Starkey commended the United Way for its partnership with the Town. She announced that February 11, 2006, would be the United Way's 5K Run/Walk for all Broward County residents.

4.13 Mayor Truex asked whether there would be accessibility from the back street of the project. Gus Khavanin advised that the main access was the frontage road and we're leaving 121st as the emergency access only. Mayor Truex asked whether opening the non-vehicular access street was appropriate. Mr. Khavanin advised that this was only for emergency vehicle access. Mr. Kiar pointed out that item 6.1 was a rezoning matter related to this item. Mr. Khavanin agreed to discuss both items together.

(Later in the meeting, this item was approved subject to including the restrictive note for the east emergency access road - see item 6.1.)

4.14 Vice-Mayor Hubert asked whether the lowest bid had been provided in the backup. Fire Chief Don DiPetrillo advised that Pride Industries was consistently lower in cost, while providing higher quality. He added that using Pride Industries was usually recommended to eliminate the competitive process but if Council wished, he could seek more bids.

Councilmember Crowley questioned how there could be equal bidding without advertising for bids. Chief DiPetrillo advised that he had done some comparison checking which revealed that buying from Pride Industries would be the lowest cost.

Attorney Andre Parke indicated that the Statute referenced did not state that the Town could purchase from this entity without requiring a bid. Mr. Cohen suggested that this item be tabled in light of the number of questions about the bid process. Mayor Truex spoke of the lingering bid problems in the Town and felt the item should be bid as this kept the procurement system honest. Mayor Truex requested more detailed URL addresses to find copies of bids provided in the backup. He was not in favor of working from a ten-year-old bid. Councilmember Crowley agreed and felt the staff should go ahead with the bid process for better comparisons. Staff withdrew this item.

Mr. Dell summarized the planning report. Mr. Khavanian agreed to the restrictive note on the plat pertaining to the access.

Mayor Truex asked whether the emergency vehicle access street could not be opened without modifying the site plan. Mr. Dell concurred. Mayor Truex wanted the plat to specifically state "emergency vehicle access only". Councilmember Crowley asked the applicant to provide details of the emergency access road at the next meeting.

Mr. Kiar opened the public hearing portion of the meeting. As no one spoke, the public hearing was closed.

Councilmember Starkey advised that she had met with Mr. Khavanian, Mr. Klein and Mr. Landau and she had also received emails from some residents. Councilmember Crowley advised that he had met with the engineer of record and the applicant. Mayor Truex advised "the same" and he had received some emails.

Councilmember Starkey felt this was a good infill project that was appropriately zoned.

Councilmember Starkey made a motion, seconded by Vice-Mayor Hubert, to approve item 4.13 subject to including the restrictive note for the east emergency access road. In a voice vote, with Councilmember Paul absent, all voted in favor. (Motion carried 4-0)

## 8. OLD BUSINESS

- 8.1. Home Occupational Licenses

This item was tabled earlier in the meeting.

- 8.2. Airport Issue - Braulio Rosa

Mr. Rosa advised that Brenda Chalifour was unable to attend. He spoke of plans by the Cities of Dania Beach and Hollywood to file petitions challenging the FAA to change the runway utilization. He stated that this decision was made without any kind of environmental analysis. Mr. Rosa advised that the Airport Advisory Board wanted Council to move forward with an Amicus Brief to assert the Town's position in an inexpensive manner. He advised that this item was time sensitive as the filing deadline was January 23rd.

Mayor Truex asked if Mr. Macalilly would file the Amicus Brief on behalf of the Town. Mr. Rosa felt Mr. Parke should do this. Councilmember Starkey agreed that Mr. Parke should file as the Town's position was different from that of Dania Beach.

Councilmember Starkey made a motion, seconded by Councilmember Crowley, to direct the Town Attorney to file an Amicus Brief. In a voice vote, with Councilmember Paul absent, all voted in favor. (Motion carried 4-0)

## 9. NEW BUSINESS

- 9.3. Boys & Girls Clubs of Broward County - Request for Waiver of Permit Fees

Mr. Dell explained the request for a waiver of fees for the Boys and Girls Club for the amount of \$29,933.20. Councilmember Starkey questioned whether the Town had not already waived fees for this site. Mr. Dell responded that he had checked into this and that no fees had been waived. Councilmember Starkey felt the partnership between the Boys and Girls Club and benefits to the Town's children warranted the waiver. Vice-Mayor Hubert did not want to set the precedent of waiving fees. An unidentified man spoke of the challenges of meeting rising costs regarding completing the site and operating the Club. He spoke of the various programs that would be offered at this center including a strong career building emphasis.

Councilmember Crowley was in favor of the waiver. Mayor Truex agreed and felt this would result in a good return on the investment.

Councilmember Crowley made a motion, seconded by Councilmember Starkey, to approve waiving the \$27,000 fees. In a voice vote, with Councilmember Paul absent, all voted in favor. (Motion carried 4-0).

## **TOWN COUNCIL MINUTES**

### **JANUARY 18, 2006**

Councilmember Starkey indicated some residents were present that evening to address the controversy over the 26th Street right-of-way heading west. Mayor Truex asked whether this item was on the agenda for discussion. Councilmember Starkey felt the direction that staff was going conflicted with Council's and the residents' wishes. She wanted Council to begin resolving this issue at this point by giving some direction to staff. Mayor Truex would have preferred for this item to be placed on the agenda.

Ms. Stewart spoke of the history of this issue and on behalf of residents who did not want 26th Street from Flamingo Road west to go through to 130th Avenue. She proposed that the Town take the 35 feet of right-of-way, vacate it as a right-of-way, then immediately rezone it as an open space parcel for use as a permanent trail, as a way of resolving this conflict.

Mayor Truex asked where the development was in the approval process. Mr. Cohen was unsure but indicated the matter would come before Council. Councilmember Starkey felt it was important for staff and the developers to know up front that Council did not want a through street.

Jon Voight, representing Flamingo Road Estates, explained that the developer had been required to redraft plans to build an emergency access to Flamingo Road.

Ron Jones, developer for the project, requested guidance with regard to planning in light of the strong objections to making 26th Street a cut-through. He stated that removing this option would change the overall plans completely. Mr. Jones wanted to accommodate equestrian activity and requested that Council and staff provide further direction.

Councilmember Crowley felt Council had clearly voiced its opinion. He stated that Trail Ridge had always been designated as a cul-de-sac community and felt that without a resolution in place, staff was only doing its professional job in recommending 26th Street as a cut-through road. Mr. Cohen agreed that drafting a resolution to give staff direction would resolve this issue.

Town Engineer Larry Peters spoke of the high volume of truck activity coming down 26th Street which created a tremendous problem. He spoke of opening up 20th Street to alleviate this problem, which he felt was no different from 26th Street. Mr. Peters indicated that the developer should close off the end of 26th Street at 127th Avenue. He requested that Council allow staff to do what was necessary for emergency mitigation and allow the other portion of 26th Street to cut through for fire truck access. Mr. Peters felt vacating 26th Street from the eastern edge to Flamingo Road would worsen the traffic problem. He also cautioned against considering one specific community versus the whole area.

Councilmember Starkey felt by moving the Flamingo Road Fire Station, the response times to United Ranches would be compromised in light of upcoming annexation issues. She added that the current location gave the fire station access to target areas faster than the proposed new location. Councilmember Starkey asked that staff bring forward an ordinance to vacate the Town's right-of-way by the next meeting. Mayor Truex was in favor of moving this issue forward. Councilmember Crowley asked Mr. Peters to create a map or aerial illustration showing the alternatives he mentioned.

Councilmember Starkey requested that staff go back to the 1999 date of Christopher Kovanes' employment to resolve any remaining issues, establish some criteria for the reporting process and cap the hourly amount. Mr. Cohen advised that Council would receive a report regarding an "auditor general" and indicated that the forensic audit would be placed on the agenda.
